

state...as their...like some of the other states have designated their gal as official hostess, I'm sure that their Governors are married and so what this resolution would do is designate Miss Nebraska as the official hostess for Nebraska. I certainly don't see anything wrong with it. I think that we will recognize her as being Miss Nebraska and this would be in effect for this year and the years to come. So I would urge you to support this resolution.

PRESIDENT: Senator Hartnett. May we have order in the Chamber, please. (Gavel.) Senator Hartnett.

SENATOR HARTNETT: Mr. Chairman, members of the body, I hope that this resolution doesn't cause as much controversy as the other one, but I think the resolution really summarizes the work and effort of Charles Reed has done for the State of Nebraska and for my community, Bellevue. He was very, very active especially as a young senator, passed legislation which caused the beginning of Nebraska's football stadium. He has also served for a number of years as a counselor with the Panama Canal, started the first bank in Bellevue, original founder of the Bank of Bellevue and was always, even though he had no children, was always interested in youth of Bellevue and there is a Reed Center honoring him in my community and I think I would urge this body to adopt this resolution. Thank you.
